

Year 12 outcomes 2008

All Queensland schools

The 2008 report on Year 12 outcomes were published in Queensland metropolitan and regional newspapers on Tuesday 5 May 2009.

The data provide a snapshot of school outcomes for students who finished Year 12 in 2008.

The public release of this data is part of the Queensland Government's *Changes to School Reporting* initiative, announced in October 2004.

It has been compiled from data provided to the QSA from Queensland schools, The Department of Education and Training and the Queensland Tertiary Admissions Centre.

The format of the 2008 report has been modified from previous Year 12 outcomes reports, by the Queensland Government, to coincide with the first graduating cohort of the Queensland Certificate of Education (QCE). Care should be taken in trying to construct time-series comparisons between the 2008 Year 12 outcomes information and information obtained from earlier reports.

The data show that Queensland's Year 12 students are graduating from high school with the skills and qualifications to follow a range of rewarding work, further education and training pathways.

There are explanatory notes about how to read the table included in the report, and some questions and answers about the data are available.

READING THE TABLE

1. School

School name is listed in this column.

2. Locality

This column shows the city, town or suburb where the school is located.

3. Number of students awarded a Senior Statement

This column shows the number of students who received a Senior Statement. The Senior Statement details a student's senior studies and the results achieved.

4. Number of students awarded a QCIA

This column shows the number of young people awarded a Queensland Certificate of Individual Achievement (QCIA). Students awarded a QCIA have engaged in a highly individualised learning program for their senior phase of schooling. Students may receive a Senior Statement and a QCIA.

5. Number of students awarded a QCE at the end of Year 12

This column shows the number of students who were awarded a Queensland Certificate of Education (QCE) at the end of Year 12. The QCE was awarded to students who attained 20 credits by achieving a Sound Achievement or pass in the required pattern. Their program of studies must have included a minimum of 12 credits from core courses and 8 credits from any combination of other courses of study. To be awarded a QCE, students must also have met literacy and numeracy requirements.

6. Number of students awarded one or more VET qualifications

This column shows the number of students awarded one or more Vocational Education and Training (VET) qualifications. This includes qualifications of Certificate I, II, III or IV. Students who are completing or completed a school-based apprenticeship or traineeship (SAT) are also included in this column.

7. Number of students who are completing or completed a SAT

This column shows the number of students who are completing or completed a SAT.

8. Number of students who received an OP

This column shows the number of students who received an Overall Position (OP). To receive an OP a student must study 20 semester units of credit in Queensland Studies Authority subjects with at least three subjects taken for four semesters. Students must also complete Year 12 and sit the Queensland Core Skills Test.

Queensland Studies Authority

9. Number of students who did not receive one or more of the following: OP, QCE, QCIA, IBD, VET qualification

This column shows the number of students who did not receive one or more of the following: OP, QCE, QCIA, International Baccalaureate Diploma (IBD), VET qualification.

10. Percentage of OP/IBD students who received an OP 1 to 15 or an IBD

This column shows the percentage of students who received an OP 1 to 15 or were awarded an IBD.

11. Percentage of Year 12 students who are completing or completed a SAT or were awarded one or more of the following: QCE, IBD, VET qualification

This column shows the percentage of Year 12 students who are completing or completed a SAT or who were awarded one or more of the following: QCE, IBD, VET qualification.

12. Percentage of QTAC applicants receiving a tertiary offer

This column shows the percentage of students who applied for and received an offer of a tertiary place through the Queensland Tertiary Admissions Centre (QTAC). The percentage of students entering VET courses through QTAC is understated because QTAC data on VET includes only full-time students entering a VET diploma. The data does not include part-time diplomas, certificates, apprenticeships or traineeships.
